NORTHERN DISTRICT OF CALIFORNIA
MOTION TO REQUEST
A "DEPOSITION UPON
WRITTEN REQUEST"
Civil Action No. _____

DEPOSITION UPON WRITTEN REQUEST

WHEREFORE, I Walter Redmond am the plaintiff in this case. I do hereby respectfully request that the court initiate "pre-trial discovery" and allow me to do "Deposition Upon Written Questions" in regards to defendants. I am Pro-Se, and do not have the luxury of counsel, as does defendants, an unlevel playing field, uneven-scales, if you will, chips being stacked again'st me out of the starting gate. Nevertheless, I will still work diligently to prepare all necessary paperwork for an upcoming trial, seeing I have requested a date for trial, and by no means will I deviate from this pursuit. As sure as defendants have violated my U.S. Constitutional rights illegally, separating me from family and friends, choking me out-cold, I will not let-up until a jury here's the matter!...
